Hello Lydia,  
Lindsay had told me to copy you on this and I forgot.

Today we submitted an updated version of the Tavium label that removed the restrictions for Kansas. It was submitted through the portal, but I have included courtesy copies here. Please let me know if you need anything else.

Regards,  
Rachel

Hello Emily and Lindsay,  
I hope you both are well.

Today, Syngenta submitted an updated Tavium label. The updated version removed Kansas from the states with the reduced cut-off date. They were submitted through the CDX portal and I have attached courtesy copies here. Please let me know if you need anything!

Regards,  
Rachel
